

I was looking for a camper and found one on craigslist so I started making a deal for it ..i was to put 2000. Down and make monthly payments as we chatted on line she joanne peterson wanted to go through ebay to make the deal.i thought that was fine. [It's a well known safe site] she said that ebay will be in touch with me. About a half hour the ebay site came up and told me what I needed to do [i've never used ebay before it looked legit] I was to buy 4 ebay giftcards at 500. a piece and call the number at the bottom of the page. I did and the guy said he was an ebay rep.and took the numbers of each card he said as soon as they cleared they would be in touch .that was all I hired a few days went by I called ebay and found out it was a scam they froze the cards but he said they had already got the money. He told me how to get a hold of..That's when I started filling every place I could find .st petersburg police dept page hasn't been working I don't have a car to go down there im disabled and looking for
