

Dear William Pattison, aka Eric Morse,

We regret to inform you that we will be cancelling your Artist contract with us. Unfortunately, your attendance conflicts with some of our current Celebrity guests.

Be on the lookout for your \$50.00 deposit. We will make it out to Jeanette L. Thompson, unless you need it made out to someone else.

This was a Team decision, so please stop all emails to Dorine. We have made this decision and we are not turning back. Our number one priority is our Celebrity guests and making sure that their comfort level is at 100%.

We will be removing you from our website this week.

Regards,

Aaron Dodge
