The Express Refund Advance is a tax-refund related loan provided by MetaBank® (it is not the actual tax refund). Loan proceeds available starting no earlier than December 15, for a limited time. The amount of the advance will be deducted from tax refunds and reduce the amount that is paid directly to the taxpayer. Tax returns may be filed electronically without applying for this loan. Availability is subject to satisfaction of identity verification, eligibility criteria, application, approval, underwriting standards, and other terms and conditions. Only \$200–\$400 available no earlier than December 15 with a paystub (or other acceptable pre-year-end income

verification), and remaining amounts available upon filing tax return with the IRS. IRS delays may affect the delivery timing of loan proceeds. Disbursement rules apply. Funds loaded onto card within an hour and direct deposit next business day. See myrefundadvance.com for additional terms and conditions.
