Learn about our [Extended Payment Program](#), which lets you pay for medications in 3 monthly installments. [Calculate your estimated monthly payments.](#)

Estimated pricing is based on your plan design and is not available for all medications. Medication prices, individual retail pricing and individual copayments may vary. Pharmacist's judgment, your doctor's instructions on how to take the medication, and applicable law may impact the actual dispensed quantity and/or days' supply you may receive. Medication costs outside of your prescription program, and sales tax, where applicable, are not included.

The coverage and pricing terms of the prescription benefit are subject to change.
