Please place your order at least one week in advance to allow time for creating the best candy apples you have ever had and for shipping them out. They will be carefully packaged and shipped to you via USPS Priority Mail to ensure freshness. Please message me with any questions.

We do ship during the summer month. 1-2 ice packs are provided in the order. Our company is not responsible for melted chocolate.

Don't be afraid to contact me for other quantities, so I can create a custom listing for you, if needed. This item makes great party favors, or small gifts. Use them to create a display for a table centerpiece, in place of a traditional cake, as an incentive or a thank-you for your employees or co-workers or friends.....or for no reason other than they are DELICIOUS!!!
