**What the icons mean**

**Fast eTickets**  
ETickets are downloaded online by buyers – which cuts out delivery waiting times.

**collectfrom**  
Tickets are collected from a Seatwave collection point on the day of the event, this means they stay on sale longer so you can buy them last minute and collect them near the venue.

**Tickets in hand**  
The seller already has the tickets and can send them within 1 week, giving you peace of mind.
