Speedpay, Inc. Renews Relationship with Flagship Credit Acceptance

Oct 17 17

Speedpay, Inc. announced its renewed relationship with Flagship Credit Acceptance. As part of its five-year deal, which positions Speedpay as Flagship's electronic billing presentment and exclusive payments provider, Flagship will be Speedpay's first auto finance client to offer the moBills® solution through Walletron. As part of its agreement with Speedpay to implement Walletron moBills®, Flagship will provide customers with the option to view their statement or pay their bill from within their smartphones' mobile wallets. Users will receive light-up phone notifications reminding them to make or schedule a payment before a bill is due, and those who make automatic payments can also receive smartphone notifications confirming their payment has been made. The customer's Flagship bill will update automatically in their mobile wallet, providing accurate account information in a centralized place on their phone.
