Description of Work

Upon arrival, technician discovered outside cleanout holding. Everything in Home backing up. Customers explained their sewer had backed up once before roughly 17 years ago in which Lamont had cleared. Technician is recommending clearing from cleanout in order to restore flow. Technician was able to restore flow, however with drain bladder. Upon camera-inspection technician discovered scale build up, however line still passed flush, water, and tp test. If problem persists, technician is recommending a HydroJetting of mainline. Will include one year, up to two stoppage warranty.
