¹ All of production time and shipping time are in business days. Production starts from the day that all of the production requirements are satisfied. Due to COVID-19, we are experiencing a slight delay in production/shipping and customer service inquiries on all orders. Our team is working diligently to ensure your order is shipped out as soon as possible. We greatly appreciate your patience and understanding.

³ Our face coverings and masks are only authorized for use by the general public and health care personnel as the "source control". They are not FDA cleared and not authorized as personal protective equipment (PPE), nor are they substitutes for filtering face-piece respirators or surgical face masks.

*** All checks require the order number to be written on the check's memo. Any check without the order number will be deposited but the order will not go in production until identified. Production will start after the check has cleared the bank and the order is identified.

**** Please verify your shipping address carefully upon the receipt of this invoice. Any address change or address correction requested after the order goes into the production might not be guaranteed and requires an additional charge of \$35 per tracking number, which will also be automatically charged to the original payment form if the shipping carrier(s) identifies the incomplete or incorrect address issue and successfully makes the correction for the shipment delivery.

***** By approving your order and the invoice, you have agreed to our Terms & Conditions.
