

This document is to collate the hours claimed for but not attended to by Kurt Yelds.

Also the calculated time by day and week for the amount of time claimed to be at work that was not.

This Document is a supporting document to Kurt Yelds (Fraud) ,also (Falsifying Documents.)

Previous documents support the truth that Kurt Yelds is in full knowingly that from work commencement at 1800 and end at 0500.Signed, Sworn and witnessed in a court statement.

It is clear the I would not have noticed these events if MR Yelds did not force men to these time sheets. It has come to light that these events were calculated and conspired between Ross Thompson and MR Yelds then continuing after the fact by covering for each other without my knowledge.

While going through the run sheets it is undoubted Saturday Sunday and public holidays are predominant especially after mid 2017.

The dated weeks will show the hours falsely claimed.
