

## Local Amenities, Services and Activities Surrounding The Kalia Villages

Kalia properties are located on the Central Western part of the fast growing Region of Guanacaste. The area is also known as the Gold Coast due to breathtaking sunsets and ocean views along the Pacific Coast of Nicoya Peninsula.

Three out of Kalia's four eco-villages; Black Beauty, Emerald Woods and Ruby Sky are located approximately 9 to 12 km from the fascinating town of Nosara where a whole range of divers tourists services and amenities are available, within a short 5 to 15 minutes drive from our properties, including: local air strip, healthcare facilities, 3 supermarkets, 2 banks, 4 car rental agencies, over 30 restaurants, 25 hotels and many other services.

In addition, within 30 minutes to 1 hour drive, you will also find the large scale shopping malls with all the well known and familiar world brand stores as well as the hair salon, car mechanics and a full range of services of a modern commercialized city.

You can swim with turtles or indulge in a spa treatment followed by horseback riding with the sunset in your back, eat at a gourmet restaurant or have your hair done in the town center, and all that within a setting of the finest pristine beaches in the world.

**\*Please see the attached map to learn all about the full range of amenities Nosara has to offer.**

The fourth eco-village, Diamond Cove is located at the southern tip of the Nicoya Peninsula. The nearest tourist town of Tambor is located 21 KM of the property, a town that offers many tourists activities and amenities.

**\*Please see the attached map to learn all about the full range of amenities Tambor has to offer.**

## Nearset Major Towns

Other major towns within a driving distance to Kalia's eco-villages, which have established amenities and activities, are as follow:

**NICOYA** - Nicoya is the major town of the peninsula and the cultural center of the province of Guanacaste. It was Costa Rica's first colonial city and boasts the oldest church in Costa Rica. People from the whole surrounding area, including the beach villages of Samara and Nosara come to Nicoya on a regular basis to do their shopping or to deal with their legal and banking needs. The town also hosts the biggest hospital of the Nicoya Peninsula. A recent study states that the Nicoya area ranks among the four regions in the world where people have the highest life expectancies. The town of Nicoya is located approximately 25 km from Black Beauty eco-village.

**SANTA CRUZ** - Santa Cruz is a typical Costa Rican rural town. Its inhabitants consist mostly of farmers, fishermen, workers or employees of several of the many hotels located in the vicinity. The town is known within Costa Rica for its cultural heritage and many historical traditions. These traditions include the Fiesta de Semana Santa (Easter week celebration) and number of festivals which include bullfighting ceremonies. Santa Cruz is a beautiful town filled with kind and open-hearted people.

The town of Santa Cruz located approximately 30 km from Black Beauty eco-village.

**LIBERIA CITY** - The bustling colonial city of Liberia is the provincial capital of the Guanacaste Region. Liberia being one of the older cities in Costa Rica and a long time trading hub remains the economic center of the Guanacaste Province. The city itself is quite enjoyable and safe compared to the metropolis of San Jose, with local treats such as Juego de Cana (Sugar cane Juice), Copez Ricos (Snow Cones Costa Rica style), local ice cream shops, lots of fresh seafood from the nearby coastline, banks, movie theatres, restaurants, bars, and many more.

The town of Liberia located approximately 90 km from Black Beauty eco-village.
