SW Engines is the #1 engine supplier anywhere in the United States - period. Of course I know we are saying this about ourselves but it's just the truth. We supply a better product with a better warranty with the best service and we know it. We have literally spent years and many thousands of dollars to get it right - which is what we strive for, getting it right.

- This engine comes COMPLETE except for alternator, starter, power steering pump, AC compressor and turbo.
- All engines are **inspected** and **pressure tested**.
- We have one of the **strongest PARTS and LABOR warranties** in the nation and a dedicated warranty department.
- **NO HIDDEN FEES.**
- We will **consider** reasonable offers.
