This HP All-in-One PC blends the power of a desktop with the beauty of a slim, 23.8 inch, three-sided borderless display for one dependable computer designed to grow with you. With easy upgrades in three simple steps, you can feel confident your tech will stay up-to-date. Built for tomorrow. Keeping technology up-to-date has never been simpler. Powered by an AMD Athlon Silver 3050U dual core processor and AMD Radeon graphics. Model: HP 24-DD0010.

Built for tomorrow

Looking for a powerful All-in-One PC that can easily grow with you? Keeping technology up-to-date has never been simpler. Designed with a panel you can remove in three simple steps, easily upgrade[1] your hardware to ensure you always have the power to get things done.

A powerful PC

Tackle your busiest days with the performance of a reliable processor. Save more of what you love with abundant storage for all your photos, videos and documents.

Thoughtfully designed

Conveniently placed ports help keep cords out of the way, so your space feels clean and uncluttered. A three-sided micro-edge display lets you see more of your screen with a pop-up privacy camera you can close when not in use.

Windows 10

Do great things confidently with the familiar feel of Windows - only better.[2]

AMD Athlon™ 3000 Series Mobile Processors with Radeon™ Graphics

Get more done faster on a reliable laptop that can keep up with your everyday tasks. AMD Athlon™ 3000 Series Mobile Processors deliver modern features and responsiveness, so you can say goodbye to a PC that freezes. Stream movies with extra-long battery life in beautiful, crystal-clear detail.[3.]

Full HD display

Sit back and enjoy crystal-clear visuals and images with the vibrant quality of 2 million pixels. The 1920 x 1080 resolution gives all your digital content a new dimension.[4]

Anti-glare panel

Enjoy the sun and your favorite content with this anti-glare panel. Non-reflective and low gloss means you'll get less glare while you're outside.

PCIe SSD storage

Boot up in seconds with lightning fast speed with up to 256 GB PCIe SSD storage.

DDR4 RAM

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

6. Payne55

   This item was just what I looking for to give to my grandson for his online college courses when classes were cancelled at the last minute due to covid. The price was lower than what I had budgeted for so it was a great deal all around.
