to me, Motor, Kevin

Hello Mrs. Van der Westhuizen

We have removed all the under carriage covers and cleaned the engine and transmission.  
The oil level will be corrected and idle the vehicle on the hoist to determine where the oil leak is coming from , will give you feedback shortly.

Wed, May 11,  
2:34 PM

to me, Motor, Kevin

Hello Mrs. Van Der Westhuizen

After idling the vehicle on the hoist for ½ hour oil seeping past the sump gasket , we remove the engine sump and inspect the gasket and replace, and repeat the process

(13 days ago)

to me, Motor, Kevin

Hello Mrs. Van Der Westhuizen

The vehicle was left over night and no signs of oil on the floor.

The engine was idling for ½ hour again and let it cool off and no leaks present from where the work was done.

We are cleaning the under carriage covers and will get your vehicle cleaned , will contact you to make arrangements to deliver back to you.
