Dear Applicant,

Thank you for applying to us for vehicle financing. After carefully reviewing your application, we are sorry to advise you that we cannot provide credit to you at this time or that we cannot provide credit on the terms you requested. You should understand that as a dealer, we generally sell or lease vehicles on credit only if a third party like a bank or finance company will agree to buy the contract from us on terms that are financially acceptable to us. Regrettably, we could not do that in this instance. If you would like a statement of specific reasons why your application was denied, please contact our Finance Director at the number or address shown above within 60 days of the date of this letter. We will provide you with the statement of the reasons within 30 days after receiving your request. If we provide the reasons to you orally, you have the right to request us to confirm them in writing within 30 days of our receiving your written request to do so. You should also receive letters from the financing sources to which we submitted your credit application giving their reasons for not providing credit to you or not providing credit on the terms you requested.

If we obtained information from a consumer reporting agency as part of our considering your application, it is checked and its name, address, and toll-free telephone number are shown below. The reporting agency played no part in our decision and is unable to supply specific reasons why we have denied credit to you. You have a right under the Fair Credit Reporting Act to know the information contained in your credit file at the consumer reporting agency. You have a right to a free copy of your credit report from the reporting agency, if you request it no later than 60 days after you receive this notice. In addition, if you find that any information contained in the report you receive is inaccurate or incomplete, you have the right to dispute the matter with the reporting agency.

You can find out about the information contained in your credit report (if we used one or more) by contacting each credit reporting agency that is checked below
