Denise, you have 30 days to take action.

Hi Denise,

Your Facebook account has been suspended. This is because your account, or activity on it, doesn't follow our Community Standards.

If you think we suspended your account by mistake, you have 30 days to disagree with our decision. If you miss this deadline your account will be permanently disabled.

You can learn more about why we suspend accounts by visiting the [Community Standards](#).

Thanks,
The Facebook Team
