Review #3832068

“

Facebook - Marketplace review on item

Aug 07, 2022 0 comments

I haven't received a payout from June 21 on a product I sold on Facebook Marketplace. I've contacted support over and over again but same answer without any real help the delivery was made over the amount of time given for payout and never paid out to my account can I please have my share for my sold product immediately.
