RE: Ticket **49678478**

Cheri Miller
3880 Stockton Hill Rd Ste 103-320
Kingman, AZ 86409

Dear Cardholder,

This letter is to inform you that we have completed our investigation regarding the referenced ticket above.

Purchases made with the Card are similar to those made with cash, in that you cannot "stop payment" or lodge a "billing dispute" on purchases made with the Card. Any problems or disputes you have regarding a purchase should be addressed directly with the Merchant.

At this time, this dispute has been closed and a replacement card has been requested for any balance left on the card if applicable

If you have any questions, please contact the Resolution Team at giftdisputes@incomm.com.

Sincerely,

InComm Dispute Resolution
