

Here are pictures of what the hotels shows online:

Welcome to Paradise

When Columbus set eyes on the coast of the Dominican Republic, decorated with corals, he promptly proclaimed it the most beautiful land under the sun. And even today, Punta Cana, immense, emerges stunningly from amid a jungle of mango groves and majestic coconut palms. It is a challenge of nature, which will make your holiday in our **hotel in Punta Cana** unforgettable.

With more than 40 kilometres of white sandy beaches, palm trees, a turquoise blue sea and its luxurious and extensive hotel infrastructure, Punta Cana is one of the most-visited Caribbean tourist destinations all year round.
