

Resume

2/03/2023

Military History: I currently have over three deployments overseas and have credible and viable experience helping soldiers throughout a daily basis either by cooking or providing the necessary meals in which each **and** every soldier deserves **as** of now. I am **now** currently **in a** reserve status in which I have provided valuable service to each and every soldier that has participated in each and every system **as** of now. I currently have had over **37** years of credible viable service in which has been offered to me in a timely and viable manner but when I **was** forced to retire was sent **a** packet in which made me candidate to not be able to collect my manner in any or timely fashionable manner to continue out the rest of my life for now. This resume show all my completed and necessary experience for now in order to be able to apply at any job that is suitable me for now and since you security job for now is offering positions for flex and part-time security officers would like to have the opportunity to still be able to apply for this position at hand for now. My background and own personal experience with the military and personal experience can make me a viable candidate for the pikes peak security guard position **as** of now. My retirement means a lot for now and what I have done in the past should be applied for this position or any other position that is being considered at hand for now so please keep me in mind when hiring for any position **as** of now. Civilian education as well as military education mean a lot for me **as** of now so I do need a job and am seriously considering any types of employment that are being offered at any given point in time for now. Kevin

Civilian education: Pueblo Community College- An **associate's** degree in civilian education which included an associate of general studies **in** liberal arts with over 120 credits and received a certificate for **it** **as** of now. Springdale High School Springdale Arkansas 72764 My education can explain a lot for me **as** for now. I can tell you a lot **as** I am highly educated and can get on microsoft teams either on a library computer and a personal laptop computer that can still make me a viable candidate for a viable and responsible position within your personal job experience **as** of now. Personal education means a lot to me and when applying for your job can still make me a viable and well qualified candidate that can work viable and flexible hours that will be and can be provided to me **as** of now. Pueblo Community college is an institution that is legitimately and recognized throughout and out of each individual state **as** of now and should be recognized as a considerate and mild institution that is familiar when it comes to apply in any types of jobs that are being sincerely responsible for any type of job situation for now. Kevin

Work History: Wal-mart 4200 Dillon drive Pueblo Co 81004 Cart pusher currently working for Walmart for over two years and if I **is still** possible you need an associate can still transfer **if it is** still possible for **now**. **My work history is very viable and would still like to be able to have a part-time position within your company as of now and have provided you with enough information and previous employment as I do have previous experience as well with another another security job and with my military experience as well with over 37 years and three or 4 deployments can make me a**

very viable candidate for this viable and flexible security guard position for now as it is at the pikes peak library district in Colorado Springs. Please consider me for hire at the present time for now. Kevin Andrew Hyers

Consolidated professional security-security guard for this professional **security** for over 2 years as of now. 902 n circle drive Colorado Springs Co 80916

Vossloh concrete ties 3201 lime rd Pueblo **Co 81001**

Military over 37 years of experience as well and had to retire because lack of security clearance

This resume is a very viable and consolidated history that proves my thorough background in any job that may be necessary for hire at any given point in time. I would like to add I do have a credible **and** viable history working for Walmart as of now and do work at the Walmart at Dillon drive as of now. I **do** push carts for very viable customers **as** of now and have been there for now over 2 years and would still like to continue working for a very viable workplace considered to be Walmart as of now and can legitimately satisfy each and every customer that does enter Walmart on a continue and daily presence as of now and will continue to work untill retirement **for** now. There have been times which I have been unemployed but as of now am currently **still** working for Walmart and stand in a good status as of now. I do need a job and still continue to look for work through indeed and am hoping to obtain and receive a **job** from **your** company again as of now. Please am still asking that you would give me the opportunity for hire as of now as I would like to still be considered for this job and still can work viable for hours that are still flexible and am willing to work them for now. These references are verygood references as they can be contacted as well to prove that i can still be a viable candidate for this particular position at hand for now so deeply consider me for a viable and flexible job that I can work with flexible and viable accountability within your company for now. Kevin Andrew Hyers
