CubeSmart wants to make your storage experience stress-free, including paying your bill. We offer the convenience of AutoPay, which will automatically charge your Mastercard®, Discover®, Visa®, or American Express® each month without additional fees. You can enroll in AutoPay in the office, the CubeSmart mobile app, or the [secure online Customer Center](#).

You can also pay with cash, check, or credit card at your CubeSmart office.

We also accept credit card payments in our website's [secure online Customer Center](#), the CubeSmart Mobile app, and over the phone with our phone payment system at 877-659-1440. A convenience fee will apply **unless you are enrolled in AutoPay**.
