

CROWN OF LIGHT®

CROWN OF LIGHT IS A PROPRIETARY,
PATENTED & BRANDED DIAMOND CUT

In order to accurately value the Crown
of Light Diamond cut, a Crown of Light
Appraisers Guidelines Booklet and Price
List has been developed. This information
is provided to independent appraisers who
are members of major North American
and global appraisal organizations.

These independent appraisers are not
commissioned by Crown of Light. As per
industry guidelines dictate, appraisers
value objectively.

To facilitate the correct methodology and
accurate valuation; appraisers with the
expertise and information to value the
brand can be provided upon request.
