RENEWAL QUESTIONNAIRE

Automobile Policy Number: A56956936

Dear Raymond Smith,

Do not miss out on your discount for verified mileage! We have not received a response to the questionnaire recently mailed to you. Since your response has a direct impact on the renewal premium, we've enclosed another questionnaire.

Your vehicle(s) can qualify for the Verified Mileage Discount if we receive the current odometer reading(s) by the due date indicated above.

IT'S EASY TO RECEIVE THE DISCOUNT! All you need to do is provide your current odometer reading and respond to any additional questions on the enclosed questionnaire and return it to us by using one of the following options:

- **ONLINE:** www.aaa.com/RQ
- **FAX:** 1-877-751-9941
- **MAIL:** Return the enclosed questionnaire using the envelope provided.

Please respond by the due date indicated above.

The discount will apply to each qualifying vehicle*. If a vehicle's current odometer reading is not provided, the vehicle will not qualify for the Verified Mileage Discount and we may use odometer readings obtained from third party sources to estimate the annual miles for your upcoming renewal.

Should you have any questions, please contact Policy Services at (877) 736-3922. We look forward to hearing from you.

Respectfully,

Automobile Club Inter-Insurance Exchange
