Hello, the shipping cost of sending it back is expensive and the time is long. My proposal is to compensate you for part of the amount. There is no need to send it back by phone.

Hi, I like Reno 10.

But I can not use.

Because cell phone major server Verizon can not activate with this phone.

I think it's not phone problem, just system concern with Reno phone and Verizon.

Any way refund immediately.

Don't delay for each other.

Or I will request / report to eBay, PayPal and more.

Eric
