<b>Incident Details:</b>	I ordered a carpenter service from urban company. I was alone at home with my 7 year old daughter. The person service provider sent stole a 25000 rupees branded sun glares. I have complained in the company but they havent solved the query. I also contacted the carpenter but he is denying it. I have made an official complaint in the tilaknagar police station. This is extremely unprofessional om the companies part as they are not helping the victim in any way.
