## CRIMINAL HISTORY

Our criminal history database compiles citation, arrest, and criminal records from jurisdictions across the country. Each county has its own processes and procedures regarding the release of criminal history information and how much of it is available through their databases.

These records are maintained and published by government agencies, and therefore may not be comprehensive or fully accurate. This information should be used wisely and as a starting point for your own due diligence and investigation.

## SEX OFFENDERS

In the Sex Offenders section, we list and map out known sex offenders living near the person you've searched. The report includes, but is not limited to, full name, physical description, mugshot, offense and dates.

If you want to find out whether any sex offenders live in your area, enter your name in the search field above.
