Thanks for reaching out to us!
Please provide us with your Amazon order number, we will help you out!
1). Use your Amazon account to log into www.amazon.com
2). Find your order and click on the details.
3). Find a list of 17 digit numbers like "111-1234567-1234567"

Best Regards!

Well, it's eBay, not Amazon, but here is all the information. This is all the info that I saw on the packaging and case, and it came in an original clear plastic-wrapped package.

Dear

Thanks for your reply!
We are sorry, we don't sell on eBay, please contact the correct seller on eBay, they will resolve this issue for you.

Have a great day!

That's not what your manual says. It says that there is a "warranty." A warranty has nothing to do with where it is sold. So how about you just tell me who your supervisor is, please?
