to me

Dear David,

We are sorry to see you go!

Your request to close your Stamps.com account has been processed and your service has been discontinued as of 08-20-2016.

A final account statement will be emailed to you, which may include this month's service fees. If you signed up for a trial and are closing your account within the trial period, you will not be charged any service fees.

If you purchased postage through Stamps.com, we will begin processing your refund for any unused postage once your final balance has been paid in full. Please allow 2-3 weeks to receive your refund check. Please note that we do not process refunds for unused free postage or if your refund amount is less than \$1.00. If your payment information has changed and we are unable to process your final account charge, you will receive a separate email and will need to update your payment information by contacting Customer Support.

Thank you for trying our service. We hope you will consider us for your mailing and shipping needs in the future. If you have any questions or concerns, please visit our website at <http://www.stamps.com/support/postage/>.

Your user name is: dlking102285

Sincerely,
